

Little Light House Class of 2022

On June 30, we celebrated the 2022 Little Light House graduating class. During their time here they taught us far more about God's unconditional love than we could have ever taught them. We do not say goodbye because you never really leave Little Light House, but we do send each of these amazing children into the world to be loved, respected, and valued by their community. It is our prayer that they will be included and cherished by everyone of you.
